EXPERIENCE

Web Designer 🏢 Murni Solusindo Nusantara 📅 Mar. 2022 – Currently

- Setting up and WordPress to manage website content.
- Creating visually appealing and user-friendly website layouts based on project requirements.
- Working closely with other designers, developers, and stakeholders to meet project goals and deadlines.
- Providing ongoing maintenance, updates, and troubleshooting for existing websites.
- Ensure the website can be accessed properly from various devices

I helped make the entire PT Murni website have the same style by creating a design system on a small scale. This makes all PT Murni websites have a consistent design

UI Designer 🏢 Kiki Tech 📅 Sep. 2021 - Mar. 2022

- Produced personas, user flows, journey maps, sketches, wireframes, and a prototype.
